

**LONG BEACH BALLET** is a passionate and innovative professional ballet academy that teaches, creates and performs outstanding classical and contemporary ballet. Maximizing Long Beach Ballet's true potential requires financial support from those who believe in the organization's ability to uplift and nurture the spirits of our young people.

A key component to the success of any arts organization is the special group of donors who not only make financial contributions but who also become involved with the artists. Long Beach Ballet gratefully acknowledges our donors for their generous support this year.
